

- BOM**
- T1: 10k thermistor (port/well included)
  - T2: 10k thermistor (+ port/well required)
  - T3: 10k thermistor (+port/well required)
  - H1: Electric immersion heater (existing)
  - H2: Electric immersion heater (coupler required)
  - P1: Pressure transducer (port/well required)
  - P2: Pressure transducer (port/well required)
  - P3: Pressure transducer (port/well required)
  - V1: 2 way valve actuator
  - V2: 2 way valve actuator
  - V3: 2 way valve actuator
  - 3V1: 3 way valve actuator
  - 3V2: 3 way valve actuator
  - M1: HHW pump
- (Possible to include heat exchange)
